E-VERIFY

E-Verify is an Internet-based system operated by the Department of Homeland Security (DHS) in partnership with the Social Security Administration (SSA) that allows participating employers to electronically verify the employment eligibility of their newly hired employees. E-Verify is free and voluntary and is the best means available for determining employment eligibility of new hires and the validity of their Social Security Numbers. If you are an employer or employee and would like more information about the E-Verify program, please visit our website at: www.dhs.gov/E-Verify or contact our Customer Support staff:
