7 Key Topics to Understand
7 Key Topics to Understand

1. Covered Payroll Period
2. Cash Compensation
3. Salaries for owner-employee/self-employed/general partners
4. FTE Calculation
5. FTE Reduction Safe Harbors 1 and 2
6. FTE Reduction Exceptions
7. Eligible Payroll and Non-Payroll Costs
1. Covered and Alternative Covered Payroll Period

• **Covered Period** - begins on the date the loan proceeds are disbursed and ends 8 weeks (56) days from that date. If 24 weeks, it begins on the date the loan proceeds are disbursed and ends 24 weeks (168 days) from that date.

• **Alternative Period** – Borrowers with a bi-weekly or more frequent payroll schedule may elect the Alternative Period. Example: If the loan is disbursed on August 20 and the first day of the borrower’s first pay period following the disbursement is August 26, then the first day of the Alternative Payroll Period is August 26.
2. Cash Compensation

For each individual employee, the total amount of cash compensation eligible for forgiveness may not exceed an annual salary of $100,000, as prorated for the Covered Period. For an 8-week Covered Period, that total is capped at $15,385 per employee. For a 24-week Covered Period, that total is capped at $46,154 per employee.
3. Owner-Employee/Self Employed/General Partner

• If a 24-week Covered Period applies, for any owner-employee or self-employed individual/general partner, salary is capped at $20,833 per individual; and

• If the Borrower has elected an 8-week Covered Period, for any owner-employee or self-employed individual/general partner, salary capped at $15,385 per individual.

• Excludes owner-employees who own less than 5% of C-Corp. or S-Corp.
4. Required FTE Calculation

• For each employee, for the appropriate period (Covered or Alternative Covered):

1. Take the average number of hours paid per week, divide by 40, and round the total to the nearest tenth.
   • The maximum for each employee is capped at 1.0.

2. Or, simply assign a 1.0 for employees who work 40 hours or more per week and 0.5 for employees who work fewer hours.
5a. FTE Reduction Safe Harbor 1

Provides a safe harbor from reductions in forgiveness, based on reductions in full-time equivalent (FTE) employees, for borrowers that are unable to return to the same level of business activity prior to February 15, 2020, due to compliance with requirements/guidance between March 1, 2020 and December 31, 2020 by the:

• Secretary of Health and Human Services
• Director of the Centers for Disease Control and Prevention
• Occupational Safety and Health Administration, related to worker or customer safety requirements related to COVID–19.
5b. FTE Reduction Safe Harbor 2

• If the Borrower reduced its FTE employee levels in the period beginning February 15, 2020, and ending April 26, 2020; and

• The Borrower then restored its FTE employee levels by not later than December 31, 2020 to its FTE employee levels in the Borrower’s pay period that included February 15, 2020.
6. The Six FTE Reduction Exceptions

- For any employees during the ... Covered Period
  1. The Borrower made a good-faith, written offer to rehire an employee, which was rejected by the employee
  2. Were fired for cause
  3. Voluntarily resigned
  4. Voluntarily requested and received a reduction of their hours
  5. Borrower made a good faith, written offer to restore any reduction in hours at the same salary or wages, but the employee rejected
  6. Borrower was unable to hire similarly qualified employees for unfilled positions by December 31, 2020

- Any FTE reductions in these cases do not reduce the Borrower’s loan forgiveness.
7a. What is ‘Payroll Cost’

• Payroll costs consist of:
  • compensation to employees (whose principal place of residence is the United States) in the form of salary, wages, commissions, or similar compensation; cash tips or the equivalent (based on employer records of past tips or, in the absence of such records, a reasonable, good-faith employer estimate of such tips);
  • payment for vacation, parental, family, medical, or sick leave;
  • allowance for separation or dismissal;
  • payment for the provision of employee benefits consisting of group health care coverage, including insurance premiums, and retirement;
  • payment of state and local taxes assessed on compensation of employees;
  • and for an independent contractor or sole proprietor,
    • wage, commissions, income, or net earnings from self-employment or similar compensation.
7b. Summary of Eligible Costs - Payroll

- Payroll costs paid and payroll costs incurred during the eight-weeks (56-days) Covered Period or 24-weeks (168-days) Covered Period (cannot exceed December 31, 2020).
  - Payroll costs are considered paid on the day that paychecks are distributed, or the Borrower originates an ACH credit transaction.
  - Payroll costs are considered incurred on the day that the employee’s pay is earned.
  - Payroll costs incurred but not paid during the Borrower’s last pay period of the Covered Period are eligible for forgiveness if paid on or before the next regular payroll date.
  - Otherwise, payroll costs must be paid during the Covered Period.
7c. Summary of Eligible Costs Non-Payroll

- **Covered mortgage obligations:**
  - Payments of interest (not including any prepayment or payment of principal) on any business mortgage obligation on real or personal property incurred before February 15, 2020.

- **Covered rent obligations:**
  - Business rent or lease payments pursuant to lease agreements for real or personal property in force before February 15, 2020.

- **Covered utility payments:**
  - Business payments for a service for the distribution of electricity, gas, water, transportation, telephone, or internet access for which service began before February 15, 2020.

- Eligible non-payroll costs cannot exceed 40% of the total forgiveness amount.
- Count non-payroll costs that were both paid and incurred only once.
7c. Summary Eligible Costs Non-Payroll

1. If a borrower is renting a space, and they sublease a portion of the space, the borrower can only claim the net rent expense. In other words, if the rent is $7,000 per month, and they sublease for $3,000 per month; they can only claim $4,000 for non-payroll expenses.

2. If a borrower has a mortgage on the building, and they lease 25% of the fair market value of the building, they can only claim 75% of the mortgage expense for forgiveness.

3. If the borrower shares the space with another business, they must prorate the rent and utility payments in the same manner as on the borrower’s 2019 tax filings, or if a new business, the borrower’s expected 2020 tax filings.

4. If the borrower is paying rent to a real estate holding company (which they own), the borrower can only claim that portion of rent that does not exceed the monthly interest payments on the loan, for the covered period.

5. If the borrower works out of their home, they can only include that portion of non-payroll expenses (for the covered period) that were deductible on the borrower’s 2019 tax filings, or for a new business, the borrower’s expected 2020.

____ The Borrower has accurately verified the payments for the eligible payroll and nonpayroll costs for which the Borrower is requesting forgiveness.

____ I have submitted to the Lender the required documentation verifying payroll costs, the existence of obligations and service (as applicable) prior to February 15, 2020, and eligible business mortgage interest payments, business rent or lease payments, and business utility payments.

____ The information provided in this application and the information provided in all supporting documents and forms is true and correct in all material respects. I understand that knowingly making a false statement to obtain forgiveness of an SBA-guaranteed loan is punishable under the law, including 18 U.S.C. 1001 and 3571 by imprisonment of not more than five years and/or a fine of up to $250,000; under 18 U.S.C. 645 by imprisonment of not more than two years and/or a fine of not more than $5,000; and, if submitted to a Federally insured institution, under 18 U.S.C. 1014 by imprisonment of not more than thirty years and/or a fine of not more than $1,000,000.
Certification

___ The tax documents I have submitted to the Lender are consistent with those the Borrower has submitted/will submit to the IRS and/or state tax or workforce agency. I also understand, acknowledge, and agree that the Lender can share the tax information with SBA’s authorized representatives, including authorized representatives of the SBA Office of Inspector General, for the purpose of ensuring compliance with PPP requirements and all SBA reviews.

___ I understand, acknowledge, and agree that SBA may request additional information for the purposes of evaluating the Borrower’s eligibility for the PPP loan and for loan forgiveness, and that the Borrower’s failure to provide information requested by SBA may result in a determination that the Borrower was ineligible for the PPP loan or a denial of the Borrower’s loan forgiveness application.

___ If the Borrower has checked the box for FTE Reduction Safe Harbor 1 on PPP Schedule A, the Borrower was unable to operate between February 15, 2020 and the end of the Covered Period at the same level of business activity as before February 15, 2020 due to compliance with requirements established or guidance issued between March 1, 2020 and December 31, 2020 by the Secretary of Health and Human Services, the Director of the Centers for Disease Control and Prevention, or the Occupational Safety and Health Administration, related to the maintenance of standards of sanitation, social distancing, or any other work or customer safety requirement related to COVID-19.

The Borrower’s eligibility for loan forgiveness will be evaluated in accordance with the PPP regulations and guidance issued by SBA through the date of this application. SBA may direct a lender to disapprove the Borrower’s loan forgiveness application if SBA determines that the Borrower was ineligible for the PPP loan.

Loan Forgiveness Submission Process

- As of August 10, Lenders can begin submitting Loan Forgiveness Applications to the SBA.
- Once the Loan Forgiveness Application is received, the Lender has 60 days to submit a decision to the SBA, using the SBA’s Payroll Protection Forgiveness Platform.
- The SBA has 90 days to make a decision and remit the forgiveness funds to the lender.
- If the SBA determines that the borrower was ineligible, the loan will not be eligible for loan forgiveness. In this case, the **Lender is responsible for notifying the borrower**.
- If only a portion of the loan is forgiven, or if the forgiveness request is denied, any remaining balance must be repaid on or before the five-year maturity or two-year maturity of the loan.

  The EIDL advance will be deducted from the PPP Loan Forgiveness amount.

  Payments are deferred for borrower payments of principal, interest, and fees on PPP loans to the date that SBA remits the borrower’s loan forgiveness amount to the lender or, if the borrower does not apply for loan forgiveness, 10 months after the end of the borrower’s loan forgiveness covered period.
Loan Necessity Questionnaire

• SBA will review all PPP loans to Borrowers that, together with their affiliates, received loans of $2 million or greater, for loan necessity.
• Each of these Borrowers must complete a Loan Necessity Questionnaire and submit it, along with the required supporting documents, to the Lender servicing the Borrower’s PPP loan.
• For-Profit Borrowers will be required to complete the For-Profit Questionnaire (SBA Form 3509).
• Non-Profit Borrowers will be required to complete the Non-Profit Questionnaire (SBA Form 3510).
Lender Responsibilities

When the Borrower Submits SBA Form 3508, SBA Form 3508EZ, SBA Form 3508S or Lender’s Equivalent Form:

• Confirm receipt of the borrower certifications contained in the SBA Form 3508, 3508EZ, 3508S or lender’s equivalent form.

• Confirm receipt of the documentation the borrower must submit to aid in verifying payroll and non-payroll costs as specified in the instructions to the SBA Form 3508, 3508EZ, 3508S or lender’s equivalent form.

• Confirm the borrower’s calculations on the borrower’s SBA Form 3508, 3508EZ or lender’s equivalent form by reviewing the documentation submitted with the SBA Form 3508, 3508EZ, 3508S or lender’s equivalent form.

• Confirm that the borrower made the calculation on Line 10 of the SBA Form 3508 (or Line 7 of Form 3508EZ) or lender’s equivalent form correctly.

Frequently Asked Questions
Frequently Asked Questions (FAQs)

• Are advance payments of interest on mortgage obligations eligible for loan forgiveness?
  • No

• What effect does a borrower’s reduction in employees’ salary or wages have on the loan forgiveness amount?
  • If the reduction is in excess of 25% it will generally result in a reduction in the loan forgiveness amount. The calculation is performed on a per employee basis, not in the aggregate.

• If I use the Form 3508S application, will I have to complete an FTE or salary/hourly wage reduction calculation?
  • No
Frequently Asked Questions (FAQs)

• How should borrowers, seeking loan forgiveness account for the reduction based on a reduction in the number of employees ...relative to the reduction relating to salary and wages?

• Example:
  • An hourly wage employee had been working 40 hours per week during the borrower selected reference period (FTE employee of 1.0)
  • … the borrower reduced the hours to 20 hours per week during the covered period (FTE employee of 0.5).
  • … there was no change to the employee’s hourly wage during the covered period.
  • Because the hourly wage did not change, the reduction in the employee’s total wages is entirely attributable to the FTE employee reduction.
  • Therefore, the borrower is not required to conduct a salary/wage reduction calculation for that employee.
Frequently Asked Questions (FAQs)

• Can the Borrower switch from the 8 weeks covered period to the 24 weeks covered period?
  • Yes

• When can lenders begin submitting Loan Forgiveness Applications to the SBA?
  • Beginning August 10th.

• Are payments deferred? Yes
  • Payments are deferred for borrower payments of principal, interest, and fees on PPP loans to the date that SBA remits the borrower’s loan forgiveness amount to the lender
  • or, if the borrower does not apply for loan forgiveness, 10 months after the end of the borrower’s loan forgiveness covered period
Frequently Asked Questions (FAQs)

• What effect does a reduction in a borrower’s number of FTE employees have on the loan forgiveness amount?

• The borrower must first select a reference period:
  (i) February 15, 2019 through June 30, 2019 (or)
  (ii) January 1, 2020 through February 29, 2020 (or)
  (iii) in the case of a seasonal employer, either of the two preceding methods or a consecutive 12-week period between May 1, 2019 and September 15, 2019.

• If the average number of FTE employees during the covered period is less than during the reference period, the total eligible expenses available for forgiveness is reduced proportionally.

• For example: if a borrower had 10 FTE employees during the reference period and this declined to 8 FTE employees during the covered period, the percentage declined by 20% and thus only 80% is eligible for forgiveness.
Frequently Asked Questions (FAQs)

• Can the borrower apply for loan forgiveness before the end of the Covered Period?
  • Yes. A borrower may submit a loan forgiveness application any time on or before the maturity date of the loan, including before the end of the covered period (if the borrower has used all the loan proceeds for which the borrower is requesting forgiveness). If the borrower applies for forgiveness before the end of the covered period and has reduced any employee’s salaries or wages in excess of 25%, the borrower must account for the excess salary reduction for the full 8-week or 24-week covered period.
