OWNING A VETERAN-OWNED SMALL BUSINESS

Veterans have the character, discipline and skills needed to succeed as small business owners and entrepreneurs. Wondering what it takes and how you can prepare? Enroll in Boots to Business Reboot.

ABOUT BOOTS TO BUSINESS REBOOT

Boots to Business Reboot is a two step training program that provides participants an overview of business ownership as a career vocation, an outline and knowledge on the components of a business plan, a practical exercise in opportunity recognition, and an introduction to available public and private sector resources.

Step one is the Introduction to Entrepreneurship course eligible to Veterans of all eras, Servicemembers (including members of the National Guard and Reserves) and their spouses. This course is instructed by SBA and its partners who are skilled business advisors.

Step two is an eight-week online Foundations of Entrepreneurship course instructed by a consortium of professors and practitioners led by the Institute for Veterans and Military Families at Syracuse University.
