

# FREE Business Seminars

## for Governor's Business Plan Contest Entrants

SCORE's mission is to foster vibrant small business communities through mentoring and education. Live seminars and workshops are presented by experienced professionals with deep industry expertise. Since SCORE is a strategic partner of the Wisconsin Technology Council, entrants in the Governor's Business Plan Competition have free access to these classes offered by local SCORE chapters throughout Wisconsin. They are open for registration 30 days before the scheduled date. To register click on the link.
