PPP Forgiveness Guidance
Most Recent:
HR 7010 Summary

Paycheck Protection Program Flexibility Act of 2020

(6/5/2020)
SBA, in consultation with Treasury, will promptly issue rules and guidance, a modified borrower application form, and a modified loan forgiveness application implementing these legislative amendments to the PPP.
Seven Key Changes  
(*Changes 1-3*)

1. Extends the covered period for loan forgiveness from eight weeks after loan disbursement to 24 weeks
   • Borrowers who have already received PPP loans retain the option to use an eight-week covered period.

2. Lowers the requirement that 75 percent of a borrower’s loan proceeds must be used/spent for payroll costs during the loan forgiveness covered period to 60 percent for each of these requirements.

3. Provides a safe harbor from reductions in forgiveness, based on reductions in full-time equivalent employees, for borrowers that are unable to return to the same level of business activity prior to February 15, 2020, due to compliance with requirements/guidance between March 1, 2020 and December 31, 2020 by the:
   • Secretary of Health and Human Services
   • Director of the Centers for Disease Control and Prevention
   • Occupational Safety and Health Administration, related to worker or customer safety requirements related to COVID–19.
Seven Key Changes
(Changes 4-7)

4. Provides a safe harbor from reductions in loan forgiveness based on reductions in full-time equivalent employees…:
   • unable to rehire individuals who were employees of the borrower on February 15, 2020
   • unable to hire similarly qualified employees for unfilled positions by December 31, 2020.

5. Increases to five years the maturity of PPP loans that are approved by SBA (based on the date SBA assigns a loan number) on or after June 5, 2020.
   • For loans before that time; contact your lender to see if they will adjust to the 5-year term.

6. Extends the deferral period for borrower payments of principal, interest, and fees on PPP loans to the date that SBA remits the borrower’s loan forgiveness amount to the lender
   • or, if the borrower does not apply for loan forgiveness, 10 months after the end of the borrower’s loan forgiveness covered period.

7. Removed the restriction of participating in the deferment (employer portion) of social security payroll tax if you received a PPP loan. Now you can defer through December 31, 2020 and pay the balance deferred 50% on December 31, 2021 and 50% on December 31, 2022.

Alternative Covered Period

**Covered Period:** eight-week (56-day) Covered Period of your PPP loan. The first day of the Covered Period must be the same as the PPP Loan Disbursement Date.

**Alternative Payroll Covered Period:** Borrowers with a biweekly (or more frequent) payroll schedule may elect to calculate eligible payroll costs using the eight-week (56-day) period that begins on the first day of their first pay period following their PPP Loan Disbursement Date.

For example, if the Borrower received its PPP loan proceeds on Monday, April 20, and the first day of its first pay period following its PPP loan disbursement is Sunday, April 26, the first day of the Alternative Payroll Covered Period is April 26.

Borrowers who elect to use the Alternative must apply the Alternative wherever there is a reference to “the Covered Period or the Alternative Payroll Covered Period.”

However, Borrowers must apply the Covered Period (not the Alternative Payroll Covered Period) wherever there is a reference to “the Covered Period” only.
Required FTE Calculation

The actual loan forgiveness amount that the Borrower will receive may be less, depending on whether the Borrower’s average weekly number of FTE employees during the Covered Period or the Alternative Payroll Covered Period was less than during the Borrower’s chosen reference period.

For each employee, for the appropriate period (Covered or Alternate Covered)
1. Take the average number of hours paid per week, divide by 40, and round the total to the nearest tenth.
   - The maximum for each employee is capped at 1.0.
2. Or, simply assign a 1.0 for employees who work 40 hours or more per week and 0.5 for employees who work fewer hours.
Costs Eligible for Forgiveness
What is ‘Payroll Cost’

Payroll costs consist of
• compensation to employees (whose principal place of residence is the United States) in the form of salary, wages, commissions, or similar compensation; cash tips or the equivalent (based on employer records of past tips or, in the absence of such records, a reasonable, good-faith employer estimate of such tips);
• payment for vacation, parental, family, medical, or sick leave;
• allowance for separation or dismissal;
• payment for the provision of employee benefits consisting of group health care coverage, including insurance premiums, and retirement;
• payment of state and local taxes assessed on compensation of employees;

• and for an independent contractor or sole proprietor,
  • wage, commissions, income, or net earnings from self-employment or similar compensation.
Summary of Eligible Costs - Payroll

- Payroll costs paid and payroll costs incurred during the eight-week (56-day) Covered Period
  - Payroll costs are considered paid on the day that paychecks are distributed or the Borrower originates an ACH credit transaction.
  - Payroll costs are considered incurred on the day that the employee’s pay is earned.
  - Payroll costs incurred but not paid during the Borrower’s last pay period of the Covered Period are eligible for forgiveness if paid on or before the next regular payroll date.
  - Otherwise, payroll costs must be paid during the Covered Period.
- For each individual employee, the total amount of cash compensation eligible for forgiveness may not exceed an annual salary of $100,000, as prorated for the covered period.
- Count payroll costs that were both paid and incurred only once.
Summary of Eligible Costs – Non Payroll

• **Covered mortgage obligations:**
  • payments of interest (not including any prepayment or payment of principal) on any business mortgage obligation on real or personal property incurred before February 15, 2020

• **Covered rent obligations:**
  • business rent or lease payments pursuant to lease agreements for real or personal property in force before February 15, 2020

• **Covered utility payments:**
  • business payments for a service for the distribution of electricity, gas, water, transportation, telephone, or internet access for which service began before February 15, 2020

• An eligible nonpayroll cost must be paid during the Covered Period or incurred during the Covered Period and paid on or before the next regular billing date, even if the billing date is after the Covered Period.

• Eligible nonpayroll costs cannot exceed 25% of the total forgiveness amount.

• Count nonpayroll costs that were both paid and incurred only once

**FTE Reduction Safe Harbor:**

1. Enter the borrower’s total average FTE between February 15, 2020 and April 26, 2020. Follow the same method that was used to calculate Average FTE in the PPP Schedule A Worksheet Tables. Sum across all employees and enter.

2. Enter the borrower’s total FTE in the Borrower’s pay period inclusive of February 15, 2020. Follow the same method that was used in step 1.

3. If the entry for step 2 is greater than step 1, proceed to step 4. Otherwise, the FTE Reduction Safe Harbor is not applicable and the Borrower must complete line 13 of PPP Schedule A by dividing line 12 by line 11 of that schedule.

4. Enter the borrower’s total FTE as of June 30, 2020.

5. If the entry for step 4 is greater than or equal to step 2, enter 1.0 on line 13 of PPP Schedule A, the FTE Reduction Safe Harbor has been satisfied. Otherwise, the FTE Reduction Safe Harbor does not apply and the Borrower must complete line 13 of PPP Schedule A by dividing line 12 by line 11 of that schedule.

FTE Reduction Safe Harbor

Borrower is exempt from the reduction in loan forgiveness based on FTE employees described above if both of the following conditions are met:

1. the Borrower reduced its FTE employee levels in the period beginning February 15, 2020, and ending April 26, 2020; and
2. the Borrower then restored its FTE employee levels by not later than June 30, 2020 to its FTE employee levels in the Borrower’s pay period that included February 15, 2020.

Safe Harbor date has been extended to December 31, 2020.
FTE Reduction Exception

Indicate the FTE of
1. any positions for which the Borrower made a good-faith, written offer to rehire an employee during the ... Period which was rejected by the employee; and
2. any employees who during the ... Period
   1. were fired for cause
   2. voluntarily resigned, or
   3. voluntarily requested and received a reduction of their hours.
3. In all of these cases, include these FTEs only if the position was not filled by a new employee.
4. Any FTE reductions in these cases do not reduce the Borrower’s loan forgiveness

Two New Exceptions:
- unable to rehire individuals who were employees of the borrower on February 15, 2020
- unable to hire similarly qualified employees for unfilled positions by December 31, 2020.

PPP Forgiveness Application
Forgiveness Application

The authorized representative of the Borrower certifies to all of the below by initialing next to each one.

The dollar amount for which forgiveness is requested:

- was used to pay costs that are eligible for forgiveness (payroll costs to retain employees, business mortgage interest payments, business rent or lease payments; or business utility payments);
- includes all applicable reductions due to decreases in the number of full-time equivalent employees and salary/hourly wage reductions;
- does not include nonpayroll costs in excess of 25% of the amount requested; and
- does not exceed eight weeks’ worth of 2020 compensation for any one or more employees or self-employed individual/general partner, capped at $15,385 per individual.

I understand that if the funds were knowingly used for unauthorized purposes, the federal government may pursue recovery of loan amounts and/or civil or criminal fraud charges.

The Borrower has accurately verified the payments for the eligible payroll and nonpayroll costs for which the Borrower is requesting forgiveness.

I have submitted to the Lender the required documentation verifying payroll costs, the existence of obligations and service (as applicable) prior to February 15, 2020, and eligible business mortgage interest payments, business rent or lease payments, and business utility payments.

The information provided in this application and the information provided in all supporting documents and forms is true and correct in all material respects. I understand that knowingly making a false statement to obtain forgiveness of an SBA-guaranteed loan is punishable under the law, including 18 USC 1001 and 3571 by imprisonment of not more than five years and/or a fine of up to $200,000 under 15 USC 645 by imprisonment of not more than two years and/or a fine of not more than $5,000, and, if submitted to a Federally insured institution, under 18 USC 1714 by imprisonment of not more than thirty years and/or a fine of not more than $1,000,000.

The tax documents I have submitted to the Lender are consistent with those the Borrower has submitted/will submit to the IRS and/or state tax or workforce agency. I also understand, acknowledge, and agree that the Lender can share the tax information with SBA’s authorized representatives, including authorized representatives of the SBA Office of Inspector General, for the purpose of ensuring compliance with PPP requirements and all SBA reviews.

I understand, acknowledge, and agree that SBA may request additional information for the purposes of evaluating the Borrower’s eligibility for the PPP Loan and for loan forgiveness, and that the Borrower’s failure to provide information requested by SBA may result in a determination that the Borrower was ineligible for the PPP Loan or a denial of the Borrower’s loan forgiveness application.

The Borrower’s eligibility for loan forgiveness will be evaluated in accordance with the PPP regulations and guidance issued by SBA through the date of this application. SBA may direct a lender to disapprove the Borrower’s loan forgiveness application if SBA determines that the Borrower was ineligible for the PPP Loan.

By Signing Below, You Make the Following Representations and Certifications on Behalf of the Borrower:

The authorized representative of the Borrower certifies to all of the below by initialing next to each one.

____ The dollar amount for which forgiveness is requested:
- was used to pay costs that are eligible for forgiveness (payroll costs to retain employees; business mortgage interest payments; business rent or lease payments; or business utility payments);
- includes all applicable reductions due to decreases in the number of full-time equivalent employees and salary/hourly wage reductions;
- does not include nonpayroll costs in excess of 25% of the amount requested; and
- does not exceed eight weeks’ worth of 2019 compensation for any owner-employee or self-employed individual/general partner, capped at $15,385 per individual.

____ I understand that if the funds were knowingly used for unauthorized purposes, the federal government may pursue recovery of loan amounts and/or civil or criminal fraud charges.

____ The Borrower has accurately verified the payments for the eligible payroll and nonpayroll costs for which the Borrower is requesting forgiveness.
I have submitted to the Lender the required documentation verifying payroll costs, the existence of obligations and service (as applicable) prior to February 15, 2020, and eligible business mortgage interest payments, business rent or lease payments, and business utility payments.

The information provided in this application and the information provided in all supporting documents and forms is true and correct in all material respects. I understand that knowingly making a false statement to obtain forgiveness of an SBA-guaranteed loan is punishable under the law, including 18 USC 1001 and 3571 by imprisonment of not more than five years and/or a fine of up to $250,000; under 15 USC 645 by imprisonment of not more than two years and/or a fine of not more than $5,000; and, if submitted to a Federally insured institution, under 18 USC 1014 by imprisonment of not more than thirty years and/or a fine of not more than $1,000,000.

The tax documents I have submitted to the Lender are consistent with those the Borrower has submitted/will submit to the IRS and/or state tax or workforce agency. I also understand, acknowledge, and agree that the Lender can share the tax information with SBA’s authorized representatives, including authorized representatives of the SBA Office of Inspector General, for the purpose of ensuring compliance with PPP requirements and all SBA reviews.
I understand, acknowledge, and agree that SBA may request additional information for the purposes of evaluating the Borrower’s eligibility for the PPP loan and for loan forgiveness, and that the Borrower’s failure to provide information requested by SBA may result in a determination that the Borrower was ineligible for the PPP loan or a denial of the Borrower’s loan forgiveness application.

The Borrower’s eligibility for loan forgiveness will be evaluated in accordance with the PPP regulations and guidance issued by SBA through the date of this application. SBA may direct a lender to disapprove the Borrower’s loan forgiveness application if SBA determines that the Borrower was ineligible for the PPP loan.

May 22 IFR 136 / Borrower

This is **ONLY** a Summary

You should review the information for yourself
IFR 136 - 2. Loan Forgiveness Process

- Complete and submit the Loan Forgiveness Application... 3508 or lender equivalent... to lender.
- The lender has 60 days to issue a decision to SBA.
- SBA will deduct EIDL Advance Amounts from the forgiveness amount remitted to the Lender...
- If SBA determines that the borrower was ineligible the loan will not be eligible for loan forgiveness.
- The lender is responsible for notifying the borrower...
- If only a portion of the loan is forgiven, or if the forgiveness request is denied, any remaining balance must be repaid on or before the two-year maturity of the loan.

New guidance forthcoming – this may be changed
Borrowers may seek forgiveness for payroll costs for the eight weeks beginning on either:

i. the date of disbursement of the borrower’s PPP loan proceeds from the Lender...

ii. Or the first day of the first payroll cycle in the covered period (the “alternative payroll covered period”).

... Payroll costs incurred during the borrower’s last pay period ... are eligible for forgiveness if paid on or before the next regular payroll date;
otherwise, payroll costs must be paid during the covered period (or alternative payroll covered period) to be eligible for forgiveness.

... this ... is limited to payroll cycles that are bi-weekly or more frequent
A borrower has a bi-weekly payroll schedule.

... eight-week covered period begins on June 1 and ends on July 26.

The first day of the borrower’s first payroll cycle ... is June 7.

The borrower may elect an alternative payroll covered period ... that starts on June 7 and ends ... August 1.

... payroll costs incurred during this ... period are eligible for forgiveness as long as they are paid on or before the first regular payroll date occurring after August 1.

Payroll costs that were both paid and incurred during the ... period ... may only be counted once.
IFR 136 - 3b. Are salary, wages, or commission payments to furloughed employees; bonuses; or hazard pay during the covered period eligible for loan forgiveness?

Yes

IFR 136 – 3c. Are advance payments of interest on mortgage obligations eligible for loan forgiveness?

No
IFR 136 – 3d. Are there caps on the amount of loan forgiveness available for owner-employees and self-employed individuals’ own payroll compensation?

- Yes... lesser of 8/52 of 2019 compensation... or $15,385 per individual in total across all businesses.
- In particular... capped by the amount of their 2019 employee cash compensation and employer retirement and health care contributions made on their behalf.
- Schedule C filers... by the amount of their owner compensation replacement, calculated based on 2019 net profit.
- General partners... by the amount of their 2019 net earnings from self-employment (reduced by claimed section 179 expense deduction, unreimbursed partnership expenses, and depletion from oil and gas properties) multiplied by 0.9235.
- No additional forgiveness is provided for retirement or health insurance contributions... as such expenses are paid out of their net self-employment income.
5a. What effect does a reduction in a borrower’s number of full-time equivalent (FTE) employees have on the loan forgiveness amount?

The borrower must first select a reference period:

(i) February 15, 2019 through June 30, 2019;
(ii) January 1, 2020 through February 29, 2020;
(iii) in the case of a seasonal employer, either of the two preceding methods or a consecutive 12-week period between May 1, 2019 and September 15, 2019.

If the average number of FTE employees during the... period ... is less than during the reference period, the total eligible expenses available for forgiveness is reduced proportionally...

For example, if a borrower had 10 FTE employees during the reference period and this declined to 8 FTE employees during the covered period, the percentage... declined by 20 percent and thus only 80 percent... (is) available for forgiveness.
IFR 136 – 5b. What effect does a borrower’s reduction in employees’ salary or wages have on the loan forgiveness amount?

... in excess of 25 percent will generally result in a reduction in the loan forgiveness amount... calculation is performed on a per employee basis, not in the aggregate.

New guidance forthcoming – this may be changed
60% Payroll and 40% non payroll under PPP Flexibility Act
• A borrower reduced a full-time employee’s weekly salary from $1,000 per week during the reference period to $700 per week during the covered period.
• The employee continued to work on a full-time basis during the covered period with an FTE of 1.0.
• In this case, the first $250 (25 percent of $1,000) is exempted from the reduction.
• Borrowers seeking forgiveness would list $400 as the ... reduction for that employee (the extra $50 weekly reduction multiplied by eight weeks).
IFR 136 - 5f. How should borrowers seeking loan forgiveness account for the reduction based on a reduction in the number of employees ……relative to the reduction relating to salary and wages …?

... the salary/wage reduction applies only to the portion of the decline in employee salary and wages *that is not attributable* to the FTE reduction.

Example:

- An hourly wage employee had been working 40 hours per week during the borrower selected reference period (FTE employee of 1.0)
- ... the borrower reduced... hours to 20 hours per week during the covered period (FTE employee of 0.5).
- ... no change to the employee’s hourly wage during the covered period.
- Because the hourly wage did not change, the reduction in the employee’s total wages is entirely attributable to the FTE employee reduction
- and the borrower is not required to conduct a salary/wage reduction calculation for that employee.
