Question: Relating to slide 9 in the presentation on ‘Applications Completed’, did any of the applications that were administratively removed (blue) make it into the approved category (green)? If so, were they counted in both categories or removed from the ‘Administrative Removal’ and only counted in the ‘Approval’ category?

City/County vs. State-Level
Question: What is the value added by the CVE office requiring city and county business licenses/permits, versus focusing resources on verifying information at the State-Level only?
Beta.Sam Reporting System

**Question:** Can we receive notifications of VA contracting opportunities on beta.SAM.gov as we did with the old version of the System for Award Management (SAM)?
