19. Dispute Resolution

If a dispute arises between Your organization and SBA regarding one or more elements of this Award, You may request formal resolution of that dispute by submitting a written statement describing the nature of the dispute and a specific request for relief, along with any supporting evidence, to the GMO. A copy of this statement and supporting evidence must also be provided to the GOTR. Within 30 calendar days of receiving the dispute resolution request, the GMO will notify You of his/her decision in writing.

If You disagree with the GMO’s decision, You may appeal the matter to SBA’s Grant Appeals Committee. To be considered timely, Your appeal petition must be received by the Committee within 30 calendar days of the date of the GMO’s decision. Your appeal petition must be mailed to the following:
NOTICE OF AWARD

Chairman, Grant Appeals Committee  
U.S. Small Business Administration  
Office of Grants Management  
409 3rd Street, SW, 5th Floor  
Washington, DC  20416.

You must also send copies of Your appeal petition to the GMO and GOTR.

There is no prescribed format for the submission of an appeal petition. Formal briefs and other technical forms of pleading are not required, nor are You required to obtain legal representation. However, Your appeal petition must be in writing and must be concise, factual, and logically arranged. In addition, Your appeal petition must contain the following:

a. Your organization’s name and address;
b. Identification of the relevant SBA program office and the Award number;
c. A statement of the facts underlying the dispute and the basis for the appeal (i.e., a specific explanation as to why You believe the GMO’s decision was incorrect);
d. Copies of any documents or other evidence supporting the appeal;
e. A request for the specific relief desired on appeal; and
f. A statement as to whether an oral hearing is being requested, and if so, the reasons why such a hearing is necessary.

The Committee will first rule on a request for an oral hearing before proceeding to consider the merits of an appeal petition. Within 60 calendar days of receiving Your appeal petition, the Committee will present its decision in writing to You, the GMO, and the GOTR. The Committee’s ruling will represent the final Agency decision on the subject of the dispute and will not be further appealable within SBA.

20. Termination/Suspension/Enforcement

If You materially fail to comply with the terms and conditions of this Notice of Award, or with any requirement imposed by statute, regulation, executive
order, or other source of law or policy, SBA will take whatever enforcement measures it deems appropriate to remedy that non-compliance. For further guidance regarding the enforcement measures that apply to this Award, see 2 C.F.R. §§ 200.339 – 200.342. SBA may also institute suspension or debarment proceedings against Your organization as it deems necessary.

If You fail to meet your proposal for forecasted cash needs as reported in your SF 424A, Section D, to maximize utilization of available STEP grant funds to the benefit Eligible Small Business Concerns, You may be subject to a mid-performance period reduction in award level. A Non-Federal Entity will be notified of their failure to meet their proposal for forecasted cash needs in the second and/or third quarter of the period of performance. If, at the end of the third quarter of the period of performance a Non-Federal Entity has still not met their proposal for forecasted cash needs unexpended funds from the first three quarters of the period of performance may be reprogrammed to another Non-Federal Entity during the second year of the period of performance using objective criteria consistent with this Notice of Funding Opportunity. Subject to the statutory limitations, the $100,000 minimum and $900,000 maximum established in section 1.1.11 may be waived by OIT when reprogramming funds in accordance with this section.

B. Financial Requirements

This Award is subject to the requirements listed below. For further guidance regarding the cost principles applicable to this award see 2 C.F.R. Part 200, Subpart E.

1. Charging Costs to this Award

All costs charged to this Award are subject to audit and examination. You are responsible for ensuring proper management and accounting of Project funds in order to avoid cost disallowances. All direct costs charged to this Award must be reasonable given the relevant market and industry area and the nature of the good or service involved. Direct costs claimed by Your organization must also be allowable under the relevant cost principles and be clearly and specifically allocable, either in whole or in part, to the project funded by this Award. In addition, You are not permitted to charge costs associated with any of the following items or activities to this Award:
NOTICE OF AWARD

- Construction or renovation of facilities or acquisition of real estate;
- Litigation, whether civil, criminal, or administrative;
- Providing matching contributions to any other Federal awards;

- Travel by elected officials;

The underlying premise of STEP is to supplement Your funds for export activities, not to substitute Federal funds for costs You would normally or otherwise cover. Per 2 C.F.R. Section 200.408, Your use of Federal funds for STEP is limited to the program’s statutory uses of funds. Use of Federal funds not directly supporting development of new exporters and export market expansion will not be approved (e.g., national/regional association dues, travel to association events, etc.).

With regard to foreign travel and other costs incurred by STEP eligible small business concerns, the following costs are allowable:

- Airfare (consistent with Fly America Act guidelines);
- Ground transportation fees;
- Baggage fees;
- Parking fees;
- Meals and lodging (based on GSA/Department of State per diem rates);

NOTICE OF AWARD

- Website translation into foreign language, search engine optimization, and localization services (capped at $3,000);
- Design of marketing media (capped at $3,000) commensurate with STEP’s statutory objectives deemed appropriate and approved in advance by SBA; and

Regarding the above costs, You are required to provide copies of all supporting travel documentation to SBA, upon request.

The following costs of STEP eligible small business concerns and You are NOT allowable:

- Passport or visa fees;
- Immunizations;
- Expenses related to entertaining current or prospective clients or government officials;
- New product development or alteration of existing products; and
- Cellphones and cellphone charges;
- Television and radio production;
- Efforts to create or augment marketing and advertising campaigns to draw international visitors to a state;
- Printing material for an ‘eligible small business concern’; and
- Conferences. Generally no. ESBCs can use STEP funds for a conference when the ESBC participates in a tradeshow or exhibit.

However, with the exception of entertainment expenses, to the extent You pay unallowable travel costs with non-project funds, You may count these expenditures as matching contributions. For further guidance regarding matching contributions, see Part III(B)(6) below.

2. Transactions with Suspended or Debarred Entities

You cannot use Project Funds or Project Resources to pay salaries of employees or costs of consultants, contractors, or other service providers (e.g., accountants, lawyers, etc.) where such entities are currently suspended or debarred. In addition, You cannot use Project Funds to provide counseling services related to Federal contract, grant, or loan opportunities to individuals or firms that are currently under suspension or debarment by a Federal agency. Training may be provided on these three topics without regard to an individual’s suspension or debarment status.
NOTICE OF AWARD

You are responsible for verifying that entities paid or (where applicable) assisted with Project Funds or Project Resources are not suspended or debarred in order to avoid subsequent disallowance of costs under this Award. To determine if an individual or firm is suspended or debarred, You may consult the System for Award Management (https://www.sam.gov/). Additionally, in cases involving counseling, You may require Clients to certify they are not currently suspended or debarred prior to receiving assistance relating to Federal contract, grant, or loan opportunities. For further guidance regarding suspension and debarment, see 2 C.F.R. Parts 180 and 2700.

3. Liability/Indemnification

Any liability arising from the conduct of this project, except as it directly relates to SBA employees or facilities, is solely Your responsibility. SBA will not indemnify You or Your employees or officers and, with the exception of insurance, no Project Funds may be used to cover costs related to liabilities arising under this Award. For further guidance regarding insurance costs, see 2 C.F.R. § 200.447.

SBA is not a party to any contracts, subgrants (where permitted), or other agreements between Your organization and third parties. SBA will have no involvement in any disputes arising from such agreements. You are liable to SBA for any amounts paid from Project Funds to third parties which are subsequently determined to have been unallowable or otherwise improper.

4. Adherence to the Approved Budget

You must expend Project Funds in accordance with Your approved budget. However, You do have the discretion to transfer Project Funds between individual cost categories provided the cumulative result of all such transfers in a given budget period does not exceed 10 percent of Your total approved budget. Before making any transfers that would cumulatively result in Your exceeding this 10 percent cap, You must obtain approval from SBA. Failure to adhere to the approved budget or obtain the necessary prior approval will result in denial of payment by SBA. For further guidance regarding the prior approval process, see Part III(A)(13) above.

5. Funds from Multiple SBA Awards
If Your organization holds any other current financial assistance awards from SBA, You must avoid commingling of funds and overlapping or double-claiming of costs among those awards. You must treat each project as separate and discrete with individual reporting, accounting, and audit trails.

6. Matching Contributions

You are required to provide matching support for this Award from non-Federal sources at the rate of 35% or 25% percent -- i.e., for every $1 of Federal award proposed, the match amount is $.53846, or for every $1 of Federal award proposed, the match amount is $.333333, respectively. You must document that You have obtained and expended the required level of match in support of project activities. For further guidance regarding documentation and recordkeeping requirements, see Part III(A)(3) above.

You may not use program income for the purpose of meeting Your match requirement.

You may receive contributions of matching support from any non-Federal source, such as State, local, or tribal governments, private individuals, corporations, or foundations. In addition, You may provide matching support for this Award by utilizing Your own or Your parent entity’s resources. Matching contributions may take the form of cash or cash equivalent, or in-kind donations, such as free or reduced price goods, services, or facilities. However, no more than 50 percent of the matching support provided under this Award may consist of in-kind contributions.

For each SF 270 (Request for Advance or Reimbursement), You must indicate the amount of match (i.e., the “Non-Federal Share”) expended (for reimbursements) or projected to be expended (for advances). If the amount of match You list on Your SF 270 does not meet the required level of match, You must attach an explanation detailing the extent of, and reason(s) for, the shortfall and describing how and when You will come into compliance with the match requirement. For additional guidance regarding the payment process, see Part III(B)(9) below.

If You are chronically or seriously Undermatched, You will not be eligible to receive advance payments for the remainder of the current Budget Period, and possibly for subsequent Budget Periods as well. If You are
Undermatched at the end of a Budget Period, You will be required to remit to SBA all Federal funds You received but were unable to match. Furthermore, if You fail to meet Your match requirement, SBA may withhold payment, decline to exercise option periods, or take such other enforcement action as it deems appropriate. For additional guidance regarding enforcement actions under this Award, see Part III(A)(19) above.

For further guidance regarding matching contributions, see 2 C.F.R. § 200.306.

7. **Disposition of Program Income**

When You serve solely as a fiscal agent and simply receive monies from ESBCs and then provide 100% of the collected costs to third party for services for those ESBCs (rather than using the monies to recoup costs You have already paid), this approach can be approved and not considered Program Income. You must follow the STEP policy statement on this topic.

Program Income generated under this Award must be added to the Project Funds and used to further eligible project or program objectives. In addition, on each SF 425 You submit You must note all Program Income earned and expended during that reporting period. For further guidance regarding Program Income, see 2 C.F.R. § 200.307.

You may not use program income for the purpose of meeting Your match requirement.

8. **Refunds of Award Expenses**

If You receive a refund of FICA/FUTA taxes or other project costs previously paid under this Award, You must immediately report such refund to SBA, regardless of whether the Project Period has ended. The amount of the refund must be remitted to SBA if the cost was paid with Federal funds. If the refunded cost was paid using matching contributions, You must either use the refund to support activities consistent with the objectives of this Award or remit it to SBA to avoid being Undermatched.

9. **Financial Stability**
In order to continue being entrusted with public funds, Your organization must maintain a sufficient level of financial stability. Examples of failure to maintain sufficient financial stability include, but are not limited to, excessive and/or unresolved indebtedness (whether to the Federal government or other parties), repeated failure to make payroll, and/or operating at a deficit for an extended period of time. Your lack of financial stability may lead SBA to suspend, terminate, or decline to renew this and any other Awards You receive from the Agency and may also lead to Your debarment by SBA.

For further guidance regarding enforcement actions SBA may take under this Award, see Part III(A)(19) above. For further guidance regarding debarment, see 2 C.F.R. Parts 180 and 2700.

10. Payment

For general guidance regarding payments under this Award, see 2 C.F.R. § 200.305. You must draw down Federal funds only as needed to meet actual or estimated expenditures for the relevant reporting period. You must avoid accumulating Federal funds in excess of current disbursement needs. You must also provide the required level of matching contributions for all Federal funds drawn down under this Award. For further guidance regarding matching contributions see Part III(B)(6) above.

To request payment, You must provide SBA with Your bank routing number and account information and submit a signed Standard Form 270 – Request for Advance or Reimbursement (SF 270) and a Detailed Expenditures Worksheet identifying the actual/proposed use for all requested funds to the GOTR, who will review it before forwarding it to the GMO with a recommendation for payment. You must include a narrative explanation each time Your actual expenditures exceed the amount You budgeted for a given cost category. For further guidance on varying from budgeted cost category amounts, see Part III(B)(4) above. The GOTR and/or GMO may require You to provide additional information or documentation before payment is made. Any failure by You to properly complete and submit the required forms will cause substantial delay in processing Your payment request.

Additionally, You must attach a certification to each SF 270 that contains the following statement:
NOTICE OF AWARD

"By signing this report, I certify to the best of my knowledge and belief that the report is true, complete and accurate and the expenditures, disbursements and cash receipts are for the purposes and objectives set forth in the terms and conditions of the Federal award. I am aware that any false, fictitious, or fraudulent information or the omission of any material fact, may subject me to criminal, civil, or administrative penalties for fraud, false statements, false claims, or otherwise (U.S. code title 18, Section 1001 and Title 31, Sections 3729-3730 and 3801-3812)."

The certification statement must be signed by an official who is authorized to legally bind Your organization.

You are responsible for submitting all payment requests in a timely manner. **SBA will not process any payment request You submit more than 90 calendar days after the conclusion of the relevant Budget Period.** For further guidance regarding project closeout procedures, see Part III(A)(12) above.

For all Federal funds disbursed under this Award, You must retain copies of receipts, invoices, subcontracts, evidence of matching contributions, and similar items providing documentary support in accordance with Part III(A)(3) above. All payments will be made based on Your demonstrated, bona fide disbursement requirements, consistent with the approved budget and project Technical Proposal.

When requesting payment in advance, You must certify that You have the required level of matching contributions, justify why an advance is necessary, and detail how the advance funds will be expended over the specified period covered by the request. Advances are limited to the minimum amounts needed and must be timed to be in accordance with Your actual, immediate disbursement requirements. You must deposit and maintain advances of Federal funds in interest-bearing, FDIC-insured accounts. You are encouraged to use banks that are at least 50 percent owned by women or minorities. If You do not fully expend an advance payment within 30 calendar days of disbursement, You must promptly refund any remaining amount to SBA. For further guidance regarding interest earned on advances of Federal funds, see 2 C.F.R. § 200.305(b)(9).

11. **Request for Carryover of Funds**
No carryover of funds will be permitted. All Award funds not expended during the current budget period will be deobligated prior to the start of the subsequent budget period.

12. Request for a No-Cost Extension

You may request that SBA grant a one-time extension of the expiration date of this Award for up to 12 additional months if You can demonstrate more time is necessary for the adequate completion of specific project objectives. A request for an extension must be in writing (with supporting justification) and must be received by the GOTR at least 75 calendar days prior to the scheduled expiration of this Award. SBA will not approve any extension request that:

- Is solely for the purpose of expending remaining funds;
- Is for a project that previously received an extension;
- Is more than 12 months in length;
- Requires the commitment of additional Federal funds; or
- Involves any change in the objectives or scope of the project.

Because a project may only be extended once, You are encouraged to request a full 12-month extension even if You believe less time is necessary for the completion of this project. For additional guidance regarding extensions, see 2 C.F.R. § 200.308(d)(2).
